MEMORANDUM FOR: Assistant Director, OSO

SUBJECT: The NSC 50 Approval of the Dulles Report

REFERENCE: (a) Circular Memo of 12 July 1949

1. The Executive Secretary of the NSC has referred to the DCI and the IAC three sections from NSC 50 on which a report should be submitted. We are working on various phases of this report.

2. The sections that apply to your office are the last three items mentioned under section 4 of the above mentioned reference. I should appreciate your giving ICAPS, in the course of time, a memorandum covering answers to these three items in so far as OSO is concerned.

3. You will recall that the proposed NSCID on Defectors has already been circulated to the IAC Standing Committee for consideration. As yet we know nothing about the other two items.

4. We were late in getting in the 30-day reports requested in NSC 50 on Publicity and Security of Information, so we should like to get in early our report on the items mentioned in section 4 of the reference.
